RE: **New Offering Announcement: TEI Quarterly Debt Fund LLC**

Dear Valued Investors and Partners,

The TEI Quarterly Debt Fund LLC is a \$100,000,000 private debt offering that provides investors with a short-term yield and the ability for investors to access liquidity on a quarterly basis (subject to certain limitations as set forth in the Memorandum for the TEI Quarterly Debt Fund LLC, dated May 29, 2024, as amended by that First and Second Addendums [collectively the “Memorandum”]).

This offering is designed to complement and expand on the existing TEI sponsored investment opportunity platform which includes a range of diversified real estate funds (designed for tax advantaged income and growth), customized 1031 exchanges and direct investments into single assets and now private debt offerings. We are hopeful that you will agree that this offering is a strong complement to TEI's investment platform and remains consistent with TEI's investment philosophy to respond to the financial needs of our investors and investment partners, whom we continue to access for regular feedback.

Fund Highlights:

1. Effective July 1, 2025, and expiring June 30, 2026, the minimum Stated Return for Investors shall be 7.00% per annum, paid quarterly, irrespective of adjustments that may otherwise apply based on the 3 Month UST plus 150 basis points (1.50%).
2. Minimum Investment Amount: \$25,000. Reduced amounts are permitted at the Manager's sole discretion. Only Accredited Investors are permitted to invest in the TEI Quarterly Debt Fund LLC.
3. Redemption Rights:
 - a. Investors have the option to redeem on a first-come, first serve basis after the first full calendar quarter following the date their investment was accepted by the Fund.
 - b. In aggregate, redemptions are capped at 6.25% of the Fund's total Unreturned Capital Contributions per calendar quarter and 25% per calendar year.
 - c. The quarterly redemption caps, however, shall not apply to the first \$10,000,000 of redemptions each quarter, thereafter the redemption caps described above shall apply.
4. TEI LLC has guaranteed the quarterly stated return distributions and the full repayment of 100% of the capital contributions made to the Fund.
